PROFESSIONAL SUMMARY

Final-year BCA (Artificial Intelligence & Data Science) student with hands-on project experience in Python, Natural Language Processing (NLP), machine learning, and cybersecurity. Built an ATS resume analyzer, a phishing and malicious URL detector, and an AI-assisted code reviewer. NCC-trained leader with strong discipline, teamwork, and communication skills. Seeking Software Engineering, Data Science, or AI/ML Internship opportunities.

TECHNICAL SKILLS

Programming Languages: Python, Java (fundamentals), C, C++

Web & Databases: HTML5, MySQL

AI / Data Science: Natural Language Processing (NLP), Machine Learning, Data Visualization, Data Analysis

Cybersecurity: Phishing Detection, Malicious URL Detection, Security Fundamentals

Tools & Platforms: Git, GitHub, MS Excel, MS Word, MS PowerPoint

Core Competencies: Problem Solving, Leadership, Team Collaboration, Communication

PROJECTS

ATS Resume Analyzer — *Python, NLP*

- Built a tool that compares resumes against job descriptions using NLP to compute a keyword match score and generate optimization suggestions.
- Identified skill gaps across technical, communication, leadership, and tools categories to help candidates improve resume-to-job alignment.

Phishing & Malicious URL Detector — *Python, Cybersecurity*

- Developed a URL risk-scoring system analyzing domain age, SSL status, redirect chains, and suspicious keyword/IP patterns to flag phishing attempts.
- Designed a risk-signal breakdown to give users a clear, explainable safety verdict for scanned links.

AI Code Reviewer & Bug Hunter — *Python, Static Analysis*

- Built an AI-assisted tool for reviewing source code, classifying issues by severity (critical, major, minor, style), and generating a code-quality score with actionable findings.

Smart Attendance System — *Python, Automation, Data Visualization*

- Designed an automated attendance tracker that logs student presence, flags irregular patterns, sends threshold alerts, and generates weekly summaries.

EXPERIENCE

Digital Marketing Intern

May 2025 – Jun 2025

Cloud Institution

- Completed a one-month internship covering digital marketing fundamentals, content strategy, social media promotion, and campaign basics.
- Applied classroom concepts to real-world marketing tasks, strengthening practical business communication skills.

EDUCATION

Bachelor of Computer Applications (AI & Data Science)

2024 – Present

St. Claret Autonomous College, Bengaluru

Pre-University Course (PUC)

2021 – 2024

Vidhya Soudha PU College, Bengaluru

SSLC

2012 – 2021

St. Mary's Convent, Bengaluru

CERTIFICATIONS

- NPTEL (SWAYAM) – Cybersecurity • Infosys Springboard – Digital Marketing
- Cyber Security & Leadership Training – St. Claret Autonomous College • NCC 'C' Certificate

LEADERSHIP & EXTRACURRICULAR

- NCC – Lance Corporal (LCPL), 'C' Certificate Holder: developed leadership, discipline, and teamwork through structured national training.
- District-level Table Tennis player and Taluk-level Throwball player; competitive sport background.

Languages: English, Malayalam, Hindi, Tamil, Kannada
